

Talking to God and Listening to him

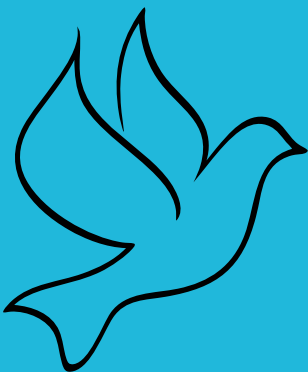

We believe that God wants to talk to us because he loves us.

He is God the Father and loves us as a Dad.

He is God the son and is our friend Jesus.

He is God the Holy Spirit and is always with us even though we can't see him.

We can tell God anything that we'd like to.

Chat & Catch with God

God wants us to chat to him and listen to what he wants to say.

We can ask God a specific question.

He can talk to us in lots of different ways.

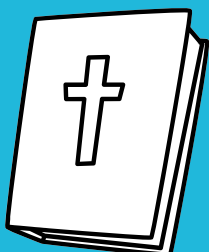

Just like you can imagine your favourite food, sometimes God can put a picture in our head.

Sometimes God can put a thought in your mind.

Sometimes God might talk to you about something you see.

Sometimes God might remind you of a bit of the bible.

Chat & Catch with God

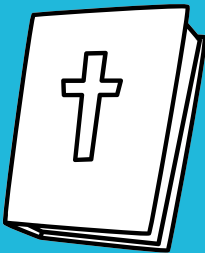

Sometimes God may give you a feeling on your skin or in your heart.

Sometimes you might feel peaceful.

It's okay if we're not sure if God has spoken to us.

What God says will always match up with what it says in the bible.

FAVOURITE

He might talk to us about our favourite things.

God enjoys talking to us.

We hope you enjoy talking to God and listening to him.
